M&A Supports Sustainable Energy Initiative - USACE New York District

M&A continues to serve under a 3-year IDIQ firm fixed price prime contract with a total contract value of \$3M. — Services are being delivered across an area of responsibility inclusive of USACE's North Atlantic Division providing Biological, Environmental, and Cultural Resource (BECR) services to support activities in planning, engineering, construction and project management. M&A is currently working on multiple Delivery Orders at project locations in New York and New Jersey, and supporting the U.S. Army Garrison in Livorno, Italy.

At the New Jersey Army National Guard Installation (NJANG) in Sea Girt, M&A is actively engaged in the proposed installation of a 1.5 MW wind turbine. M&A's role is primarily focused on the completion of environmental assessments and associated studies. The NJANG's wind turbine initiative is aimed at providing energy independence for the installation in keeping with a sustainable environmental program. *For more information regarding the firm's sustainable energy and environmental services for the USACE contact Paul Steinberg, P.E. at steinberg@mabbett.com.*

M&A Expands Service Delivery in Response to the U.S. Department of Veteran Affairs SDVOSB Contracting Goals

M&A continues to develop an expanding service relationship with the U.S. Department of Veterans Affairs (VA) providing over \$1M of professional services since 2006 in areas of environmental compliance, environmental engineering, health and safety and regulated building materials studies. — M&A as a Center of Veteran's Enterprise Certified SDVOSB has worked closely with the VA to help achieve contracting goals associated with the VA's continuing implementation of the "Buy VET First Program (P.L. 109-461)". To date M&A has provided services at 16 major VA facilities in ten states. M&A has worked closely with VA staff to identify best environmental management practices that would help the VA to maintain compliance. M&A also provided environmental management

October 2009

M&A Achieves VA Certification

M&A recently received its third party certification as a Service-Disabled Veteran-Owned Small Business (SDVOSB) from the U.S. Department of Veterans Affairs, Center for Veterans Enterprise. *For more information on our services, visit www.mabbett.com or contact Susan Smits, CHMM at smits@mabbett.com.*

M&A Opens New Regional Office

M&A recently opened a Southern New England Regional Office in Pawtucket, RI. The new office location will help to better respond to the firm's clients in Southern New England and serve to provide local resources to Federal projects for agencies, such as the U.S. EPA, VA and U.S. Navy and Coast Guard facilities in RI and CT. Opening of the Southern New England office follows the opening of our Mid-Atlantic Regional Office in Reston, VA in late 2007. *For more information contact Chris Mabbett at cmabbett@mabbett.com.*

M&A Staff Achievements

The firm wishes to congratulate Leif Longtine and Kaitlin Hartman, both Project Scientists-Consultants, who have achieved the Certified Hazardous Materials Manager (CHMM) credential of the Institute of Hazardous Materials Management. Leif and Kaitlin are key members of the firm's on-site services project team.

In addition, Kiran Sears was recently awarded a Master of Science (MS) in Environmental Engineering with honors from

system tools to assist the VA in monitoring on-going compliance activities under its Green Environmental Management System (GEMS) program.

In addition, M&A was selected to provide senior technical support to the VA while performing on-site chemical inventories of all New England (VISN 1) facilities as part of a VISN wide Chemical Tracking Project (CTP). [For more information regarding the firm's services for the VA contact Jennifer Burrill, CHMM at \[burrill@mabbett.com\]\(mailto:burrill@mabbett.com\).](#)

M&A Awarded Option Year 1 by the U.S. Department of Labor

M&A was recently awarded Option Year 1 of a five year \$3.2M national contract with the U.S. Department of Labor (DOL). M&A is providing occupational safety and health consulting to the DOL's National Office of Job Corps. DOL operates 122 Job Corps Centers nationwide and in Puerto Rico. M&A performs on-site reviews of the safety programs at Job Corps Centers and provides recommendations for improvements. Pre-occupancy reviews are also performed under the contract for new or renovated Job Corp Centers.
