## **MABBETT & ASSOCIATES DESIGNATED A “HOT FIRM”**

**BEDFORD, Massachusetts (November 13, 2009)** - Mabbett & Associates, Inc. (M&A) is pleased to announce that M&A has ranked #191 on the 2009 Zweig Letter Hot Firm List as a small business on its first attempt. The “Hot Firm” designation has been synonymous with success in the architecture, engineering, and the environmental consulting industry.

The 2009 Hot Firm List is produced by ZweigWhite in conjunction with the Zweig Letter. Since October 2000, ZweigWhite, the sector’s leading management consultancy, has recognized the fastest-growing architecture, engineering, and environmental consulting firms on the basis of percentage growth and dollar growth equally over a three year period, to allow both small and large businesses to participate. Each firm is assigned a dollar ranking and a percentage ranking. The two numbers are added together for a total score. Firms must be based in the United States or Canada, be in business as of January 1, 2005, and have gross revenue of at least \$1M.

From 2005 to 2008, Mabbett & Associates, Inc. witnessed 68% revenue growth.

M&A was featured in both the August and October editions of the Zweig Letter. The firm was officially recognized and presented its award at the recent Hot Firm’s Conference held in Las Vegas.

“Do what you do well and what you don’t do well, don’t do” states Arthur N. Mabbett President about his operating-business philosophy over the years. “We’ve stayed true to that and, as such, we’ve had a successful business. I would rather be paid a nickel a year forever than \$1 once, to get repeat business opportunities. I want to thank the entire M&A Team of talented and dedicated professionals who have all positively contributed to the growth of the firm. Their efforts in helping the firm to diversify especially into the Life Sciences and the Federal sectors are to be applauded. I also want to thank our clients for their confidence and repeat business. I am sure that the firm will continue to grow and expand in the years ahead. Our fiscal year ending April 2009 was our best year ever. ”

Mabbett & Associates, Inc. (M&A) is an award-winning and internationally recognized firm that provides integrated multi-disciplinary environmental, health and safety and sustainable energy consulting and engineering services. For over 29 years, M&A has delivered value-added professional services to industry, commercial enterprise and Federal, state and local agencies.
