## **M&A WELCOMES CHRISTOPHER MABBETT AND ANDREW GLUCKSMAN TO ITS NEW SOUTHERN NEW ENGLAND REGIONAL OFFICE**

Arthur N. Mabbett, President of Mabbett & Associates, Inc. (M&A) is pleased to announce that Christopher L. Mabbett has rejoined the firm and is assigned to the firm's new M&A Southern New England Regional Office in Pawtucket, RI as the Officer Coordinator, Environmental Engineer (EIT). Christopher holds a B.S. in Geology from Bates College, and a M.S. in Environmental Engineering from Tufts University. He primarily works in the firm's Site Assessment and Restoration Group where he is responsible for all aspects of the firm's many site assessment and remediation projects and is also involved in various environmental compliance and audit projects. Christopher holds a Massachusetts Grade IV Industrial Wastewater/Groundwater Treatment Systems License. Christopher will also be responsible to help strengthen the firm's commitment to serving manufacturing and commercial industry, institutions, and Federal, state and local government agencies in the Rhode Island, Connecticut, and southeastern Massachusetts area.

The firm is also pleased to welcome Andrew Glucksman to the Pawtucket, RI regional office. Andrew brings nearly 10 years of environmental consulting experience including site assessments and emergency response management for the United States Environmental Protection Agency (Region 4 – Southeast US) and private clients, database design and management, Phase I and II site investigations, and hazardous materials inventories for lead and asbestos in RI, MA and CT. Andrew received an M.S. in Agronomy (Soil Science/Soil Microbiology) from Clemson University in South Carolina and a B.S. in Soil Science from the University of Rhode Island. Andrew works in the firm's Site Assessment and Restoration Group, where he is responsible for all aspects of site assessment and remediation projects.

In welcoming Christopher and Andrew to the firm, Art Mabbett, stated, "We wish them both continued success and are most pleased to have such dedicated professionals support our expansion and growth in the Rhode Island and Southern New England markets. M&A is committed to staffing our growing firm with most competent professionals like Christopher and Andrew in order to best serve our Federal, state, municipal and private sector clients."

The opening of the firm's Southern New England Regional Office follows the opening of M&A's Mid-Atlantic Regional Office in Reston, VA in late 2007.

Founded in 1980, M&A is an award-winning Service Disabled Veteran Owned Small Business and provides integrated multi-disciplinary consulting and engineering services in environmental, health and safety management, waste minimization/pollution prevention, site assessment and restoration, environmental pollution control, occupational safety and health, energy conservation, sustainability, and training to industry, commercial enterprise and public agencies.
