Mabbett & Associates, Inc. Wins 2nd EBJ Achievement Award

Mabbett & Associates, Inc. (M&A), Bedford, Massachusetts, Environmental Consultants & Engineers, was recently presented with a 2007 Business Achievement Award at the Environmental Business Journal's® Environmental Industry Summit in San Diego, California. M&A was awarded the Bronze Medal in the Small Business category for substantially growing that portion of its business derived from work for the Federal-public sector, from less than 2% during the calendar year (CY) ending in December 2005 to approximately 25% for the CY ending in December 2007. M&A also received an EBJ Achievement Award in 2005 for its international growth and expansion in the United Kingdom.

Mabbett & Associates (M&A) achieved this growth via the development and implementation of an aggressive marketing and business development program as a recently certified Service Disabled Veteran Owned Small Business. In November 2007, M&A also acquired certain assets of the Environmental, Health, and Safety Services Group of MasiMax Resources, Inc. in Reston, Virginia, a deal that established Mabbett & Associates' presence in the Washington, D.C. area. In 2007, Mabbett & Associates received a General Services Administration (GSA) Schedule contract and has since obtained project contracts either as a prime or subcontractor with the U.S. Department of Veterans Affairs, U.S. EPA, U.S. Capitol Police, the U.S. Air National Guard, U.S. General Services Administration, the U.S. Army Corps of Engineers, the U.S. Navy, the U.S. Army National Guard and the governments of the Commonwealth of Virginia and the District of Columbia.

In accepting the award, Paul D. Steinberg, Senior Vice President and General Manager “thanked the Federal government and other public clients for the opportunity to be of service. He also thanked the M&A staff for their diligent efforts to increase the firm’s market share in a sector that will increasingly become a focus area for the firm in the years ahead.”

M&A is an award-winning firm and provides integrated multi-disciplinary consulting and engineering services in waste minimization/pollution prevention, site assessment and restoration, environmental pollution control and compliance, occupational safety and health, on-site services and training to industry, commercial enterprise and public agencies. M&A is also a Service Disabled Veteran Owned Small Business. For more information regarding M&A, visit the firm’s Website at www.mabbett.com.
