## **M&A AWARDED OPTION PERIOD 1 FOR ITS MULTI-YEAR ID/IQ CONTRACT WITH U.S. EPA REGION 1 FOR RCRA ENFORCEMENT, PERMITTING AND ASSISTANCE (REPA) SERVICES**

Paul D. Steinberg, P.E., LSP, Senior Vice President and General Manager of Mabbett & Associates, Inc. (M&A), Bedford, Massachusetts, Environmental Consultants & Engineers is pleased to announce that the U.S. Environmental Protection Agency has exercised Option 1 to M&A's RCRA Enforcement, Permitting and Assistance (REPA4) ID/IQ Contract. M&A is currently supporting EPA Region 1 on thirteen RCRA Corrective Action facilities located throughout New England including: RCRA Facility Assessments, RCRA Facility Investigations, Corrective Measures Studies, Corrective Measure Design and Implementation, and Human Health and Ecological Risk Assessments.

Mr. Steinberg reports that "M&A has worked closely with EPA and its technical staff to develop a firm understanding of the RCRA Program's long-term goals and to establish productive relationships. M&A has dedicated a multi-disciplinary team of experienced professionals, including technical experts from its strategic partner Booz Allen Hamilton that have provided the breadth of technical support needed under the program."

EPA completed its first year evaluation of M&A's performance through the National Institutes of Health Contractor Performance System ([cps.nih.gov](http://cps.nih.gov)) which ranked the overall quality of M&A's service as "excellent".

Mr. Arthur N. Mabbett President of M&A remarked that "The firm has truly enjoyed serving EPA on this contact over the past year and half and we have appreciated EPA's team approach to working with its small business contractors. As a Service Disabled Veteran Owned Small Business, we will continue to deliver quality service that is responsive and of high value. We look forward to serving EPA for many years to come."

Since launching its Federal Services Group in 2006, M&A has been awarded contracts with and is currently serving: U.S. Department of Veterans Affairs; U.S. Army Corps of Engineers; U.S. Capitol Police; U.S. Department of Labor; the Massachusetts Air National Guard and the General Services Administration. In 2007, M&A established a Reston, VA based Mid-Atlantic Regional Office to better serve Federal agencies and to provide additional geographic reach to its clients. On October 1, 2008 M&A also opened a Southern New England Regional Office in Pawtucket, Rhode Island.

Founded in 1980, M&A is an award-winning Service Disabled Veteran Owned Small Business and provides integrated multi-disciplinary consulting and engineering services in environmental, health and safety management, waste minimization/pollution prevention, site assessment and restoration, environmental pollution control, occupational safety and health, energy conservation, sustainability, and training to industry, commercial enterprise and public agencies.
