we exceed client expectations™

Training Program Highlights

- >90% pass rate on state industrial exam (Grade I/II) for M&A course attendees compared to overall statewide pass rate of <50%.
- Instructors include Grade 4I licensed operators, engineers, Certified Environmental Trainers, and pump vendor/experts.
- Meeting operator training needs since 1985 including operators from ArQule, Amgen, Childrens' Hospital, General Mills, Skyworks, Pfizer, Boston College, and Dyax.
- Recommended for individuals seeking state operator license.
- Facilities with active pH adjustment systems should have at least two licensed operators to meet new regulatory requirements.
- DEP approved for up to 24.5 training contact hours (TCHs).
- On-site training is available by contacting M&A.

Recent Attendee Reviews

"Excellent job. Have never been to a better class"
"Mabbett & Associates provides a great service to train employees on-site – very informative"
"Everyone at Mabbett did a great job teaching the class"
"Thanks to Mabbett's course I was able to pass the exam the second time around."

Tuition

\$995 for Massachusetts Biotech Council Members/M&A clients and \$1150 for non-clients. Payment must be by check or credit card in advance.
